

Application No. 10/648,324

REMARKS / ARGUMENTS

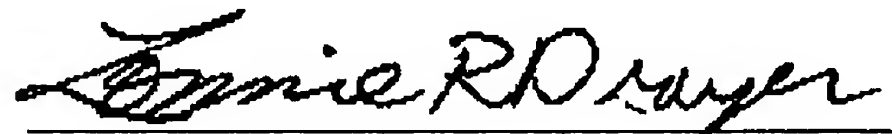

Claims 10, 15 and 18 were rejected under 35 U.S.C. § 112 for saying "a closed end" instead of "the closed end". Each of these claims has been amended to correct this error.

Claim 11 was rejected under 35 U.S.C. § 112 as being inaccurate for claiming a generant cup and a rupture lid when these elements are not disclosed in the specification and claims. Claim 11 has been amended to delete these elements.

Claims 1, 3 – 9, 16 and 19 have already been allowed. The rejections of claims 10 – 11, 13 – 15 and 18 have been addressed in the foregoing amendments.

It is believed that the application is now in form and condition for allowance and such action by the examiner is respectfully urged.

Respectfully submitted,
